SPECIALIST MODEL MAKERS AND PEWTER CASTERS SINCE 1977

## **ASSISTANT SCULPTOR / MODEL MAKER**

Our Origination Department requires an **on-site** model-maker to assist our small, established and experienced team and learn this very specialised trade.

Applicant must be talented and versatile, with good amateur or professional experience in traditional sculptor/artistic model making and sculpting.

Useful skills would include realistic portraiture; anatomy and natural history; character modelling; stylised historical and artistic work; gothic-style; modelling in **Milliput**, resins and metals etc.
